BY ORDER OF JAPAN**

Yokohama, June 2.—The name of another of the five Germans ordered deported from Japan was learned today. He is Wilhelm Stainz, a steamship foreman stevedore of the Pacific Mail Steamship company. The charge against him is that he secretly landed 100 German soldiers on the ship on a launch, a group of Germans who were sent to the Japanese coast on April 19. The authorities were told that the presence of these men in Yokohama was a violation of the Japanese law forbidding the landing of German soldiers.

The Pacific Mail Steamship company says it knows nothing of the matter. It says it is not a law-abiding company committing acts against the laws of the country. They include a baker, named Hans, a mail clerk, a wife from the United States in 1914 and a

## RUSSIAN ARMS; AMERICAN WOMAN HELD AS SPY BY GERMANY

### Isabelle Wade Arrested in Italy for Assisting a Bavarian Officer.

Agreement Reached With Bulgaria, and the Latter Will Make War on Turkey. German Press Is Showing Great Anxiety.

London, June 2.—Rumania now is occupying the "seat of uneasy neutrality," lately held by Italy. The diplomats of the great east evidently are working hard to get an understanding between Bulgaria and Rumania. Rumania is said to be mobilizing 1,000,000 men.

The German press is showing some indications of anxiety over the situation, and the Frankfurt Zeitung has called for concessions to prevent Rumanian intervention. Vienna has been informed that Germany, pouring out blood and treasure, would be listened to, and that Austria-Hungary must be prepared to make certain sacrifices to meet the Rumanian demands.

It is significant, in the opinion of British observers, that three of the opposition leaders in the Hungarian parliament have demanded and have been granted a conference with Emperor Francis Joseph for the statement of opinions which cannot be uttered in parliament itself.

### ROMANIA AGREES WITH BULGARIA

Paris, June 2.—Bulgaria and Rumania have arrived at a complete understanding according to a Bucharest dispatch to the Petit Parisien. Rumania has agreed to recognize Bulgaria as a sovereign state. The two countries will enter the war on the same terms. The dispatch says, Rumania against Austria and Bulgaria against Turkey. Army staffs of the two powers are said to be busy co-ordinating military plans.

Negotiations between Rumania and Austria over the issue of the Pruthi and of Banat are said to be virtually complete. It is said that Rumanian proposals the latter country is declared to be ready to begin hostilities without delay.

Dobruja is a part of Rumania. It is bounded on the north by the Black Sea and on the north and west by the Balkan mountains. It is the second Balkan war between Bulgaria and Rumania. The Balkan states were divided into Bulgaria a large slice of territory and added it to Dobruja province on the south.

Much bitter feeling existed in Bulgaria for some time against Rumania on this account, but more recently a change in the relations between the two Balkan states was observed. Last December the Bulgarian minister at Petrograd was quoted as saying that Rumania had arranged to restore to Bulgaria that portion of Dobruja which had been annexed by the former country after the second Balkan war.

The Pruthi river forms the boundary line between the Russian territory of Bessarabia and Moldavia, part of Rumania. It is a region in southern Hungary, bordering on the east on Rumania and on the south on the Balkan states. It is one of the most fertile districts in Europe. The chief town is Temesvar.

### CIVIC EFFICIENCY

Dr. R. R. Kime Tells Equal Suffrage League City Department Need Supervision.

Advocating a civic efficiency committee to supervise every department of the city, Dr. R. R. Kime, president of the Civic Law and Order League, Wednesday afternoon addressed the Equal Suffrage association of Atlanta on "Civic Efficiency and Good Citizenship."

Dr. Kime recommended that the committee be composed of five persons, one elected yearly for a term of five years, that the heads, superintendents and chiefs of each department be required to meet in conference with the committee every six months; that the committee should be authorized to visit and study other cities every three years.

A good advisory board for the finance committee of city council, said Dr. Kime, "such a committee would develop civic efficiency and honesty in city affairs and soon would tell Atlanta where she wastes thousands of dollars annually."

He declared that morality and alcohol would be two of the first phases of work for the committee to prosecute in Atlanta. He said that they often ignored in Atlanta, more often as they affected the home life.

### MORE DELAY IN RAISING LOST SUBMARINE F-4

Honolulu, T. H. June 2.—After being raised from a depth of more than 200 feet to within 24 feet of the surface, further salvaging of the wrecked submarine F-4 was suspended today when a large hole appeared in the shell and it seemed in danger of breaking in two. A new method of lifting will be tried and a month's delay is expected.

Naval Constructor William A. Furer will sail on the Syria for San Francisco Tuesday to supervise the construction of six huge cylinders at the Ford Island navy yard, which will be submerged alongside the F-4, lashed to its side and then pumped out, turning great lifting power. It is hoped the F-4 thus can be brought safely to the surface.

### BRITISH STEAMER SUNK BY GERMAN SUBMARINE

#### Seven Members of the Crew, One a Woman, Lost Their Lives.

London, June 2.—The British steamer Saldien, from Alexandria, Egypt, for Hull, was torpedoed yesterday in the North sea. Seven members of the crew, including a woman, were drowned. Forty-one survivors were landed today at Chatham.

The Saldien had a crew of forty-eight Greeks, a British commander and eight passengers of different nationalities.

The loss of life was the result of the jamming of davits while one of the boats was being lowered. The occupants were thrown into the water. Those in the other boats were picked up by a trawler. They assert no wrong was given. The vessel sank in 15 minutes.

The Saldien was owned by the Khedivial Steamship company, of London. She formerly was a German ship. She was 350 feet long and of 1,334 tons net.

The Captain's Story. Chatham, England, June 2.—Captain Jenkins, of the steamer Saldien, reported yesterday in the North sea and a loss of seven members of the crew. He was rescued by a trawler. He appeared before a coroner's inquest tonight.

## ITALIANS FAILING, AUSTRIANS ASSERT

### Vienna Reports That All Italian Undertakings Have Been Futile—Rome, However, Reports Italian Advances.

London, June 2.—Despite the declaration of Rome that the Italian invasion of Austria is continuing with success, Vienna asserts that the Italian undertakings have been unavailing. The new enemy of the Teutonic allies, Vienna says, is expending great quantities of ammunition without doing material damage. An Italian attack on the coastal frontier is declared to have been repulsed with heavy losses.

The Italian fleet has sailed to the Adriatic coast, seeking contact with Austrian warships, according to the Italian ministry of marine. Austrian ships, however, were not sighted and the Italian ships destroyed by bombardments a wireless station and an observation point in the Dalmatian Archipelago.

ADVANCES MADE BY THE ITALIANS. Rome, June 2.—(Via London).—The following official communication has been issued by the Italian war office: "On the Tyrol-Trentino frontier no fighting of any importance has been reported. Our troops occupied Siero and pushed on until they were near Condino, linking up with the strong Alpine detachments, which had made a descent upon the Cech river from the valley of Caffaro to Val Camonica."

## TURNER IS HARVESTING LARGE CROP OF GRAIN

Asbury, Ga., June 1.—(Special.)—With ideal weather conditions prevailing for the past ten days, Turner county, which is the largest grain crop in the history of the county, is being harvested in favor of diversified farming which, except the county early in the year has been materially strengthened by the abundant yield from the acreage planted in grain. The yield of wheat over the entire county has been sufficient to furnish the county with a surplus of the farmers used no fertilizer, and the grain is of a fine quality. Interest in live stock is rapidly increasing, and it is estimated that the number of hogs and cattle are now in the county as compared with the number of last year. Concentrated effort to rid the county of ticks and chiggers among stock has greatly reduced the chances for loss from these sources which have proven so disastrous in the past.

Richmond, Va., June 2.—Veterans of the confederacy in reunion here today spent the morning in the form of a unanimously approved resolution, to the president of the United States.

The United Confederate Veterans in twenty-fifth annual reunion, assembled at Richmond, Va., send greetings to President Wilson, president of the United States. An address was given by a prominent member of the confederacy, who, with wisdom and courage stand for all re-union, and the last hour of the American flag and a proper observance of the fall birth of the humblest American citizen.

The resolution was adopted toward the place of the hasty scene of the reunion. Its reading was received with unanimous applause by veterans who were the hosts of the day and who had entered the name of the president of the United States, who, with wisdom and courage stand for all re-union, and the last hour of the American flag and a proper observance of the fall birth of the humblest American citizen.

Young Is Re-elected.  
The reunion of the command of the confederacy, General Bennett H. Young, of Louisville, Ky., after a spirited contest, his opponent for the honor of the confederacy, General Felix H. Robertson, of Crawford, Texas.

General Robertson was elected as a confederate soldier, the president of the United States.

The convention heard with joy the announcement of your improved condition, and directed me to express the warmest sympathy felt at your confinement which caused your absence, and the hope of your speedy recovery.

Rain, which fell in torrents throughout the day, seriously interfered with the program of events. The reunion and aroused anxiety for hundreds of the aged veterans encamped at the grounds. A fire broke out in the building for tonight at the veterans' camp.

MAGON PLAYS BIG ROLE  
AT HARRISBURG

Big Delegation Coming With Drum Corps to See Job Well Done.

When Judge Nat E. Harris, of Macon, is inaugurated governor in Atlanta on the day of his inauguration, he will be 2,000 or more Macon friends on hand to see the job well done.

A movement is now on foot to have the Macon drum and bugle corps of fifty pieces accompany the Macon delegation and add to the hilarity of the occasion.

This will be the first time that a Macon man has ever been inaugurated governor of the state, and the friends of Judge Harris expect to make the most of it.

Macon Abolish Commission.  
Judge Nat E. Harris, of Macon, is endeavoring to have the civil service commission, which was created by act of the last legislature to control the police and fire departments of the city, abolished.

With this end in view, he has introduced a bill in the legislature to abolish the commission.

Alderman Hays takes the position that the commission has been a failure and that instead of taking the two departments out of politics, it has had the effect of sinking them deeper in it.

GREAT TROLLEY STRIKE  
THREATENED AT CHICAGO

Chicago, June 2.—A warning, "Prepare to strike Saturday," was sent out to 15,000 street car and elevated railroad employees this afternoon.

This followed ultimatum sent to the heads of the traction companies demanding immediate assurance of wage increases and requesting immediate replies.

The companies have stated they can not pay more than the present scale. Union leaders say they will not accept arbitration unless the agreement to do so carries with it assurance of an advance in wages.

It is expected that the strike will be held at the Wincoff hotel at 1 o'clock.

Members of the club have long been interested in the work of this court and have looked forward to an opportunity to have Judge Tindall with them to tell them about it and what progress is being made.

It is always glad to lend what assistance it can to civic institutions of this kind, and has already done so in many instances.

In addition to hearing from Judge Tindall the club will discuss briefly the plans for the coming convention in Atlanta of the Associated Advertising Clubs of the World.

## Atlanta's Appeal to the Board of Education

Atlanta, Ga., May 31, 1915

To the Honorable Board of Education:  
Gentlemen:

As citizens of Atlanta, Ga., many of us patrons of the public schools of the city, in the exercise of the right of petition, which is the fundamental of constitutional liberty, we respectfully petition your honorable body to discourage any and all efforts to plunge the public school system of the city into the hot-bed of politics. We do not make this request in a spirit of hostile antagonism toward any one, but simply stand on the solid foundation of common sense and justice toward the city's most precious asset, the public schools.

Unquestionably the greatest institution in American life and the one having the most pronounced influence on our civilization

is the public school. Therefore, it is a self-evident truth that the public school is not the place to play politics. The welfare of the more than 25,000 pupils attending the public schools of Atlanta is far too vital to the future to be marred by political intrigue, either directly or indirectly.

We are satisfied that your honorable body desires to know the wishes of the people of Atlanta and work in harmony with them. We are satisfied with the executive ability and scholarship of Professor W. M. Slaton, and we respectfully urge that you re-elect him Superintendent of Public Schools and retain intact his efficient corps of assistants.

The present condition of the Public Schools in this city is largely traceable to lack of funds, and we believe that the city council, in its sound business judgment, will provide for all reasonable demands of the city's schools.

To this petition, which is submitted to the Board of Education, 10,860 citizens have voluntarily signed their names, showing their appreciation of Professor Slaton's untiring energy, zeal and ability in making Atlanta's Public Schools the best in the entire Southland.

## Vols Romp Over Allen

### While Rube Kissinging Holds Crackers Safely

Nashville, Tenn., June 2.—(Special.) Rube Kissinging, debuting in a Vol uniform, fumbled his former Cracker teammates this afternoon while his pals were bombarding Southpaw Allen for 13 hits, totaling 22 bases and the Schwartzmen took the final game of the series by a score of 10 to 1. Atlanta scored twice in the fourth on Sid Smith's double, after Blahod had gotten a life at first on Dodge's error and Rumber had been seen. Kischer was the only Vol who failed to register a base hit off Allen, whom Billy Smith refused to lift from the hill after five runs had been scored by Nashville in the fourth.

Baker, Dodge and Farmer contributed three hits each, while Paulset pooled a double and three-sacker in four visits to the plate. Allen only allowed two bases on balls, but he hit out of the park in the fifth. Paulset and Farmer were given seven supports. Blahod contributed a two-base wild throw when the side should have been retired.

#### How They Scored.

Star's single and King's two-bagger scored the Vols' first run. Dodge fanned with the bases full in the inning.

Street singled to start the fourth, Kissinging fanned, Paulset walked and King was out at first. Baker singled to center field, Paulset doubled and threw wild to first. Farmer singled to center, but was not elected.

Dodge's single, Street's sacrifice, which was tossed too late to second, Kissinging's sacrifice, and Baker's single scored three runs.

Five clean hits and Rumber's wild throw in the sixth aided the Vols. After Kischer had fanned, Farmer doubled the score. Blahod's sacrifice, second off first base and went to second, Kischer's sacrifice hit, King, Baker, Street and Star beat out a hunt to Manning when he caught the infield. Kischer's sacrifice, stolen bases, Manning 2, Time, 1:35. Umpires, Pennington and Baker.

Paulset's triple and infield out ran the total up to twelve in the seventh. Paulset had three balls and no strikes when he slammed a fast one to the center field dump.

In the ninth, Manning led off with a walk and was allowed to steal second and third. Elbel and Allen fanned and Los was an easy out.

Roy Morris was taken sick in the sixth and Jenkins finished the game in center field. Los took care of the only chance he had.

## HALF-MAN-SPEED ON HIGH GEAR, PACKARD MOTTO

"One-half-man-speed" was the new standard of velocity introduced by an enthusiastic dealer in referring to the Twin Six announced by the Packard Motor Car company of Detroit. The expression resulted from an earnest desire to describe the flexibility of the twelve cylinder motor which makes the driving of the car at so slow a pace on high gear.

"A man can walk four miles an hour," he went on to elucidate, "but a car was not going half as fast as a good walk. It was the Twin Six which gave high gear performance I ever saw and one I would have said was an invaluable quality. This same quality of the new motor is equally evident in its almost unvarying performance on steep grades."

The complete absence of vibration, combined with the fact that the Packard is another feature of the new car that impressed the group, were the last and most important of the many advantages of the car. The Twin Six represents an amazing advance in the motor art. One man picked up the continuous flow of power from the cylinder and the motor art. ## Montezuma 3, Fitzgerald 0.

Montezuma, Ga., June 2.—(Special.)—Montezuma opened the baseball season here this afternoon by defeating the crack Fitzgerald team by a score of 3 to 0. The features of the game were the masterful pitching of Caldwell, who did not give a hit, and the batting of Hawes, Broden and Caldwell, of the locals. The team was again led by Smith.

## COLUMBIA CLUB MAY THROW UP SPONGE SATURDAY

Columbia, S. C., June 2.—Declaring that baseball here is a money losing venture, President Platt, of the Columbia South Atlantic league club, issued today a statement that he would disband the club Saturday night unless the franchise contributed \$1,000 for use in meeting the club's expenses.

## SOUTHERN BOWLERS TO FORM CONGRESS

The bowlers of Atlanta held a meeting Monday evening, May 31, for the purpose of organizing a southern bowling congress and Friday and Saturday, June 25 and 26, have been set to pull off the initial meet.

The congress will be held at Atlanta, Savannah, Knoxville and Chattanooga in the five-men doubles and singles. The teams to be selected from these cities will clash on the Crystal alleys here and some fancy bowling should be seen.

There will be a long list of prizes, including a handsome trophy offered by the Brunswick-Balke-Clender company to the winning city. It is expected that this will result in an annual affair, as the south is coming to the front in bowling and the A. B. C. and N. B. C. are held so far away that it is impracticable for the many southern bowlers to attend. The American Bowling Congress rules will be followed in general.

The meeting Monday evening was enthusiastically attended and an executive committee was appointed to look after the details of the tournament preparatory to the completion of the organization when the visiting bowlers arrive.
